Circular

It is hereby informed to all concerned officers and staff members that a prescribed Proforma has been developed for submission of manuscripts intended for publication.

All authors intending to submit manuscripts for publication are requested to use the prescribed Proforma and furnish the necessary details. Authors are requested to ensure that all required information is furnished correctly and shall be submitted to the concerned authority for necessary scrutiny and further processing.

The Proforma is enclosed herewith for information and necessary compliance.

This is issued with the approval of the Director.

8.	**Additional information, if any**	Attach a copy other relevant information, if any (including plagiarism, copyright, permissions, acknowledgements or institutional support):

DECLARATION BY THE AUTHOR(S)

1. The manuscript is based on bona fide work carried out by the author(s) in connection with the research/ project/extension/training/outreach activity/internship/stand-alone literature review, as applicable. The results and interpretations presented are those of the author(s), and all material drawn from other sources has been duly acknowledged and referenced.

2. The manuscript is original and, to the best of the author(s)' knowledge, does not contain plagiarism, self-plagiarism, or any unauthorised use of third-party material.

3. The manuscript, in whole or in part, has not been submitted to or accepted for publication by another journal/publisher. This declaration does not preclude disclosure in an Institute annual report/newsletter or publication/printing of an abstract in workshop/seminar proceedings, where applicable.

4. All co-authors have reviewed the manuscript, approved its contents and agreed to its submission for publication. The order of authorship and the stated contributions have been agreed upon by all authors.

5. All material, financial and technical support received from individuals, institutions, funding agencies, sponsors or fellowship schemes has been appropriately acknowledged in the manuscript.

6. All necessary permissions for the use of copyrighted material, photographs, maps, figures, tables or other third-party content have been obtained, wherever applicable. Any required ethical approval or informed consent has also been obtained, where applicable.

7. No person who has made a substantial contribution to the work has been omitted from the authorship, and no person has been included as an author without an appropriate contribution.

8. The author(s) confirm that the information furnished in this proforma is true and complete and that the prescribed proforma has not been altered.
